Behaviour Policy Senior School & 6th Form

Aims

- to create a community in which each member is respected and encouraged to reach her full potential and behave in accordance with the code of conduct.
- to be a community in which the values of integrity, compassion, tolerance and justice are fostered.
- to provide a secure framework in which pupils can grow towards independence and self-discipline and take their place responsibly in society.
- to establish an ethos where girls set a good example to younger pupils
- to encourage all members of our school community to recognise bullying, acknowledge its unacceptability and report it.
- to encourage the girls to lead a healthy lifestyle and have the confidence and skills to make good lifestyle choices

Principles

These are reflected in the Code of Conduct which is listed in the girls' planners on page 10. It is also on display in tutor rooms and tutors go through this with the girls at the beginning of the academic year. (how is this made available as a separate document other than being posted in Tutor Rooms

- pupils should, by their attitude and behaviour make it possible for everyone to learn.
- safety and health are important; pupils should obey the regulations and stay within school bounds unless they have written permission to go out. Sixth Formers are allowed to sign out.
- pupils should value their environment and keep the school clean and tidy and dress appropriately.

Practice

Pupils are expected to uphold the good name of the school at all times. All pupils and staff are aware of the Code of Conduct. It is displayed in all tutor rooms. Regulations concerning safety, property, uniform and other aspects of daily life in school are known to all pupils and parents.

The Form Tutor will be kept informed of the behaviour of his/her tutees.

Parents will receive feedback on their daughter's behaviour. A particular effort to record positive behaviour will be included in reports and parents' evenings. The Head is always pleased to see girls to congratulate them on their achievements.

Pupils in Years 7 and 8 whose attitude, behaviour or work is very good will be Awarded Bmarks. Year 9 and above are awarded with postcards home and also for student of the month for subjects as well as possibly praise when and where applicable for academic work and/or contribution to the enrichment of the school.

If a pupil's attitude or behaviour contravenes the Code of Conduct an appropriate sanction will be imposed.

- this sanction may be in the form of a detention during the school day.
- if an after school detention is given, a letter is sent to parents giving at least 24hrs notice, indicating the reason for the detention.
- for all but minor infringements, parents will be contacted and informed of misdemeanour and sanction applied. Parents may be contacted by the Form Tutor, Head of Section or Deputy Head. The Head is kept informed.

The government paper on Behaviour & Discipline in Schools (January 2016) may be useful in conjunction with this policy. In addition to setting out rewards and sanctions, behaviour strategy and the teaching of good behaviour, the following points should be noted:

(a) with reference to the Equality Act 2010 and with reference to pupils with special educational needs/disabilities, reasonable adjustments may need to be made when dealing with the behaviour of specific pupils.

(b) Numerous support systems are in place for pupils in the school including, Tutor, Mentor, any member of the school community, any staff member, or a member of the Senior Leadership Team.

(c)When dealing with specific behaviour issues liaison will take place with parents and other agencies for example school counsellor, school nurse, Independent Listener, Child and Adolescent Mental Health Services (CAHMS) etc.

(d) The school sees it as their responsibility to carefully manage transition between schools following exclusion and/or agreed removal.

(e) Disciplinary action may be taken against pupils who are found to have made malicious accusations against staff (See section 8.0 in the Safeguarding policy 7 a)

In very serious circumstances and where appropriate the Head may exercise her right to exclude a pupil. The Governors are always informed in such cases. This policy should be read in conjunction with:
