Sixth Form Scholarships for 2016

Sixth Form Academic, Music, Art, Drama, Sport and Technology Scholarships are available to current students of Burgess Hill Girls and girls from other schools. We look for an excellent academic standard based on written examinations and/or practical assessment and an interview.

A Scholarship is worth up to 40% of fees for the duration of a student's time in the Sixth Form.

All Scholars are expected to act as ambassadors for their subject and give their full support to the relevant curricular and extra-curricular areas. In particular, Drama Scholars are expected to support the Head of Drama with clubs and productions, Music Scholars are expected to support the Music department and give service to the choirs and orchestras and Sport Scholars are expected to place an active role in the sporting life of the School. Art, Drama and Technology Scholars would normally study the relevant subject to A level.

Academic Scholarships

Candidates are assessed by examinations in two subjects of their choice and a general paper. They do not have to be subjects that will be continued at A Level as we require no commitment about Sixth Form subject choice at this stage. The papers are designed to measure potential and skills rather than acquired knowledge.

Heads of Departments are happy to discuss the style and content of examination papers with prospective candidates. Academic Scholarships candidates may also enter for one or more of the Creative Scholarships.

Creative Scholarships

Creative Scholarships reflect a very high degree of aptitude in one of the following disciplines: Art, Drama, Music, Sport or Technology.

The assessment procedures could include an audition, interview, practical assessment or the production of a portfolio. Further details will be issued upon receipt of an entry. Candidates will also sit the general scholarship paper.

Bursaries

Means-tested bursaries are available for students who would benefit from the opportunities that our Sixth Form offers and who are eligible for fee remission. Bursaries range from 10% or more of the day fees. Further information can be requested from the Bursar – bursar@burgesshillgirls.com.

How to apply

To register your interest and obtain an application form, please contact Mr Tapping, Director of Academic Development on Roger.Tapping@burgesshillgirls.com or call 01444 241050.

The deadline for completed forms is Monday 12th October 2015.

If you have any questions regarding the process and examinations, please contact Mr Tapping.
