

HOMEWORK TIMETABLE 2025-2026

Students will be set homework daily, following the timetable below. Each task should take approximately 30-40 minutes in Years 7-9 and around 1 hour in Years 10-11. Additional guidance will be provided for revision and assessment preparation when required. For Years 10 and 11, we also recommend that students spend extra time reviewing new content after each lesson to strengthen their understanding and support long-term progress.

Tutor Group	Monday	Tuesday	Wednesday	Thursday	Friday
7A	French Religious Studies	Geography	Latin Computing	Science English	Maths History
7B	English French	Religious Studies Computing	Latin Geography	History	Maths Science
